

100% Membership Award Application

To celebrate the accomplishment of Wisconsin FFA chapters reaching 100% FFA membership, there will be special recognition for those chapters who have reached this goal at the 4th General Session on Wednesday morning at the State FFA Convention in Madison.

100% FFA membership means that you have 100% of your agricultural education enrollment as members of the FFA Organization. Some chapters may even have over 100% membership because you want to make sure you are counting all of your FFA members including jr. high and graduates. Please complete the calculations below to determine your chapter's membership percentage.

_____	divided by	_____	=	_____
Total number of 2013-14 dues paid FFA members (7 th grade – graduates)		Number of students enrolled in Ag. Education Grades 9-12 for 2013-14 (Unduplicated enrollment)		Percent Membership
