

Wisconsin Association of FFA Service Project

You can help fight hunger at this year’s Wisconsin FFA Convention.

In the United States, one in six Americans will experience food insecurity some time during the coming year.

Today, millions of Americans struggle with hunger. These are often hard-working adults, children and seniors who simply cannot make ends meet and are forced to go without food for several meals, or even days.

Again this year the Wisconsin FFA is hosting a service event, the FFA Rally to Fight Hunger, to help feed children and adults suffering from food insecurity. The Rally will be held in the evening on **Monday, June 11, 2018** prior to the reflections program. The rally will engage 475 members & advisors from across the state at the Alliant Energy Center in Madison.

Working with Second Harvest Foodbank of Southern Wisconsin, members will assemble food packages to provide relief from hunger and malnutrition. We plan to package over 40,000 lbs. of food.

We encourage you to sign up for a shift of the FFA Rally to Fight Hunger and show your commitment to “living to serve.”
