## 212°/360° Chapter Leadership Conferences

### 212°/360° Chapter Leadership Program

The National FFA Organization aims to provide exceptional leadership training to students of all experience levels through utilization of a three-part, cohesive conference series called the Chapter Leadership Continuum. The first two conferences in this series are the 212° and 360° Chapter Leadership Conferences.

#### CONCEPT

##### 212° Leadership Conference:

212° - the temperature at which water boils – focuses on taking students to the boiling point of leadership. At 211° water is extremely hot, but just one more degree gets us to the next level, the boiling point. This conference focuses on the development of the **individual** student. Students will be challenged to push the limits in their leadership. Themes for this conference include: **Growth** and **Virtues**, allowing students to attend in two consecutive years without seeing the same curriculum. The rotation for the curriculum is as follows:

2017-2018: Growth

2018-2019: Virtues

##### 360° Leadership Conference:

360° takes students full circle in chapter leadership development. The conference covers every angle for developing action plans for their chapters and communities. This conference focuses on **chapter and community** development. Themes for this conference include: **Influence** and **Vision**, allowing students to attend in two consecutive years without seeing the same curriculum. The rotation for the curriculum is as follows:

2017-2018: Influence

2018-2019: Vision
