The School Officials Program and Lunch to be held in conjunction with the Wisconsin FFA State Convention is an opportunity to invite school district administrators, principals, guidance counselors and school board members and help them broaden their understanding of what FFA members participate in during the State FFA Convention. This event will also be an opportunity to highlight Wisconsin Agricultural Education and FFA and recognize school district administrators for their support of their local agricultural education programs, instructors and FFA chapters. **SPACE IS LIMITED!!**

School officials will be able to attend the Career Show and receive a tour of the convention by selected past state FFA officers. They then participate in their program and lunch. After lunch, they would attend the 2:00 p.m. session when the scholarships and state degrees are presented to members. During the convention session, this will be a time when the state FFA officers will recognize their school district administrators on stage.
