

## Opportunities for You at the Wisconsin State Fair Youth Expo!

**Activity Stations • Demonstrations • Clothing Revue  
Music & Drama • Mini Performances • Exhibits**

You are invited to join us at this year's Wisconsin State Fair! Join other youth from around Wisconsin and participate in one of our Youth Expo Programs. These programs allow youth to grow in many ways by **gaining leadership and communication skills** while promoting Wisconsin's youth organizations. The Youth Expo represents youth from our state's FFA, Boys Scouts, Girl Scouts, and 4-H programs. You could represent any of these organizations by helping Fairgoers at the Activity Stations, performing on stage, participating in a style revue, or giving a demonstration to Fairgoers. Find more information about each of our programs on our website.

Opportunities are available for all ages. Youth must be ages 12-18 to participate in our overnight programs (Activity Stations, Clothing Revue, and Demonstrations).

Contact your county agent or organizational leader today! You may also visit our website or contact Lisa Talen, Youth Expo Coordinator at [lisa.talen@wisconsin.gov](mailto:lisa.talen@wisconsin.gov) or 414.750.0872.
