REVIEW PENDING MEMBERSHIPS

All self-registered memberships go directly to the **Approve Pending Memberships** section, as they skip the *Register Added Memberships*. **BEFORE** submitting your memberships for state approval, visually review them on-screen to ensure there are no duplicates **between added/imported memberships and self-registered memberships**. [1] Click the different column headers to sort the data and also [2] switch between the assorted views (i.e. *Personal Information, Address and Additional Information*). If you find any duplicates, just click the trashcan icon (🗑).

[Optional] If you have numerous memberships, you may want to click the Excel icon (📄) and export the data to Excel.
