WHO: All FFA members and advisors are invited to attend. Workshops are designed for middle school members and high school members as well as chapters officers.

You should plan to have at least one member from your chapter attend each of the individual breakout sessions in order to get all of the great ideas from the entire workshop.

Bring your entire chapter officer team, so they all benefit from the officer training workshops available to them.

DRESS: Members need to attend in FFA OFFICIAL DRESS. If this is not possible, please have students dress accordingly in proper dress clothes ("business casual"). We understand Middle School members may not have official dress yet. Just make sure they are dressed in "business casual" which usually consists of dress pants or skirts, polo shirts, etc. - NOT jeans and t-shirts. We want Wisconsin FFA looking sharp!
