 - This is an organization that believes students can be leaders in the fight to stop global warming by planting trees. They want 3 million trees to be planted by 3 million kids and '3 x 3' is a "for kids by kids" campaign to inspire youth around the world. At the end of April all of our trees will be registered in support of their campaign.
- **U.S. Earth Day**
 - <http://www.earthday.gov>
 - This is the official site of Earth Day, which is on April 22. Our initiative is focused around this month.
- **Arbor Day Foundation**
